The Sino-British College, USST

# 2026 INTERNATIONAL PROSPECTUS

An International University College in Shanghai

# WHY SHANGHAI?

Shanghai is home to China's financial system and automobile industry, making it the business and engineering centre of China. Thousands of the world's biggest companies have chosen Shanghai to be their initiation into the Chinese economy and SBC is offering you the same opportunity for your studies.

Studying at SBC provides you with a chance to be right in the centre of a city with 24 million people who together have created China's most diverse, innovative, wealthy and enjoyable way of life. Because of its location, SBC offers you a

combination of features that universities do not have: international food, amazing nightlife, museums, theme parks (including Shanghai Disney), shopping malls, art galleries, and major sporting events.

Shanghai also offers students various internships, with employers ranging from top companies to innovative start-ups. SBC and Shanghai, will offer you a fantastic start to your academic and professional life, one that will help you build a successful and promising future.

# CELEBRATING OUR STUDENTS' SUCCESS

Social Security Information Center

# DUAL BACHELOR DEGREE PROGRAMME

Since September 2020, SBC and USST have offered students a fantastic and unique opportunity to earn both a British bachelor degree and a Chinese bachelor degree. If international students have a strong desire to learn Chinese, they can be dual enrolled. After four years of study at SBC, students can earn both a British bachelor degree certificate from either the University of Huddersfield, Liverpool John Moores University, or Sheffield Hallam University and

a Chinese bachelor degree from the University of Shanghai For Science and Technology (USST).

SBC and USST will provide Chinese lessons and language learning equipment to all students on the Dual Bachelor Degrees Programme. If the students are unable to achieve a Chinese language level of HSK 4 they will not be eligible to graduate from USST but still can graduate with a British bachelor degree.

BA (Hons) Business Management

BEng (Hons) Electrical and Electronic Engineering

BEng (Hons) Mechanical Engineering

# SINGLE BACHELOR DEGREE PROGRAMME

To understand the Single Bachelor Degree Programme of SBC, there are two things we need to clarify.

## •What does PATHWAY mean at SBC?

PATHWAY	In Shanghai at SBC	In the UK
4+0	Four years in Shanghai at SBC Including foundation year	No period of study in the UK but there are opportunities to visit
3+0	Three years in Shanghai at SBC No foundation year	
2+2	Two years in Shanghai at SBC Including foundation year	Final 2 years in the UK
1+2	One year in Shanghai at SBC No foundation year	

## •What kind of courses will you learn in the first 1 or 2 years at SBC?

### International Foundation Year (SBC Year 1)

SBC's International Foundation Year is organized and accredited by the educational charity NCUK. When you complete NCUK's International Foundation Certificate in Business or Engineering, you will have achieved a firm grounding in British University education with a qualification that is accepted across the world. You will also be automatically enrolled in one of SBC's Single Bachelor Degree Programmes.

### International Bachelor Degree Year 1 (SBC Year 2)

In both Business and Engineering, SBC's degree year is organized and accredited by NCUK. Students completing this year are guaranteed a place at one of SBC's 9 UK partner Universities or a place on one of SBC's bachelor degree programmes delivered entirely in Shanghai.

•For international applicants of the 4+0(3+0) pathway, three majors are available from which to choose.

BA (Hons) Business Management	
BEng (Hons) Electrical and Electronic Engineering	
BEng (Hons) Mechanical Engineering	

## 2+2 (1+2) PATHWAYS TO THE UK IN BUSINESS

# IMPORTANT INFORMATION

## Introduction from senior lecturers

### Dr. Jeffery Wang (Head of School of Business and Management)

The school of Business and Management partners with several UK institutes to offer internationally accredited curriculums covering the complete landscape of business and management, with academic rigor and real world relevance, and in an all English-speaking environment.

At our school, students study with educators from Europe, North America, and Asia, with first-class resources and opportunities both domestic and international, and with classmates who are inspired, driven, and inquisitive. The school is a place for students to develop their literacy and numeracy skills, critical thinking, and compassion, and for them to get ready to become a business leader in this ever-changing world.

### Dr. Adrian Chong (Head of School of Engineering and Computing)

The Sino-British College's School of Engineering and Computing is a leading institution delivering undergraduate programmes. We emphasise real-world learning experiences, collaborations with industry partners, and cultivating balanced individuals. Our teaching members are experienced professionals, offering experiential learning opportunities. We aim to provide a comprehensive, innovative engineering education that prepares students for successful careers.

## Accommodation

SBC's International Student Accommodation is situated on campus. You will enjoy being in the center of one of the most international, cosmopolitan, and vibrant global cities.

SBC's international accommodation offers incoming students a choice of either two-person rooms or four-person rooms. SBC's campus provides a 24-hour security service, which ensures the safety of all students.

## Learning Chinese

Non-Dual Degree International Students are entitled to free Chinese lessons. They are not compulsory and do not factor into the final award classification.

SBC's Chinese language programme follows the HSK system. The longer students study with us, the higher HSK rating they can achieve. HSK 4 is the grade required to enter a Chinese state university and demonstrates a high fluency level.

## Career Development

At SBC, training and expertise are offered to all students who would like to find an internship or obtain legal employment in Shanghai. Our Career Service Team enjoys strong relationships with top companies in Shanghai, many of whom send representatives to talk to students on campus. In previous years SBC graduates have worked for; Jebson Motors, Disney, Huawei, KPMG, Standard Chartered, PWC, Saatchi & Saatchi, Accenture, and many more.

# APPLICATION DOCUMENTS

## 1. Fill out the SBC detailed application form

Please send it to the university in Excel format after completion.

## 2. Copy of passport:

Pages with photo and previous visas to China.

## 3. Copy of high school diploma or equivalent certificate

Prospective diploma recipients must submit an official document issued by the current school to prove the current study status and expected graduation date. If applicants are admitted, a scan copy of the graduation certificate shall be sent before registration.

## 4. Transcripts of all courses in high school or results of international standardization test

A-LEVEL/IGCSE/AP/SAT/ACT/UEC/STPM etc.

## 5. Proof of English language proficiency

IELTS/Duolingo/TOEFL etc.

## 6. Physical examination report

## 7. Proof of Chinese language proficiency (HSK test)

Dual Degree student only.

## 8. A digital passport-sized photo

Photo format: Color standard passport photo, with a file size not exceeding 200kb, and supporting image formats of \*.jpg, \*.jpeg, \*.png. Pixel dimensions should be larger than 295\*413.

## 9. CSCA Test (Dual Degree students only)

Major: Business Management

Test subjects: Mathematics

Major: Mechanical Engineering

Test subjects: Mathematics, Physics

Major: Electrical & Electronic Engineering

Test subjects: Mathematics, Physics, Chemistry

**Please prepare the above-mentioned materials and send them to: [international@sbc.usst.edu.cn](mailto:international@sbc.usst.edu.cn)**

## BASIC COST

### Tuition Fee at SBC:

---

CNY 100,000 / Year

(Same for both Dual Bachelor Degrees Programme and Single Bachelor Degree Programme)

### Accommodation Fee:

---

CNY 15,000 / year (Male)    CNY 18,000 / year (Female)

### NCUK Registration Fee at SBC:

---

CNY 5,000 / Year

(Only students of Single Bachelor Degree Programme need to pay in SBC year 1 and SBC year 2)

### Insurance Fee:

---

CNY 800 / Year

## SCHOLARSHIP

Early Application Scholarship: CNY 10,000

---

High Achiever Scholarship: CNY 20,000

---

Executive Dean's Outstanding Performance Scholarship: CNY 50,000

---

HSK 4 Scholarship: CNY 20,000 (For Dual Degrees Only)
